Meeting October 18-6pm (at office)**Call to Order**

minutes of Last meeting Movies , craft fair, Halloween party, Christmas

Two members of previous committee members had resigned and we had a new person join us, Wayne Maxwell. We also discussed having a more open meeting for those that want to join us for meetings. We decided on some dates for movies. September 30th, we had the movie SCooB. Posters were out by Ellen and were put into newsletters. Marquee at hall has been updated. Movie wasn't well attended but thankfully we didn't pay a lot for movie (had bout 19t)and our next movie may not be as expensive since we have stuff now. Movie for October was set for the 21st. Mummies will be that movie and since it isn't out in DVD we are streaming it. November movie got put down to the 4th. We are playing the news Shazam movie. December movie will be a part of Christmas decorating that day. Halloween will have a party on October 28th. November will have a Artisans craft market. December will have a good old fashion decorating Deceember 16th and some thing for everyone and Santa.
